

# Spring Employer Newsletter

\*All underlined material is hyperlinked to direct you to the respective information

On behalf of the Michelin® Career Center, we hope that everyone is staying safe and healthy during this time. The Career Center at Clemson remains operational, and we are here to assist our employers and their recruitment efforts in anyway that we can!

The Michelin Career Center is currently working remotely until further notice. Visit our website [HERE](#) to be directed properly for any questions you may have.

## Upcoming Dates:

The dates for our Fall 2020 Career Fair will be determined and announced in late spring. Registration for the fair will open the first week of July.

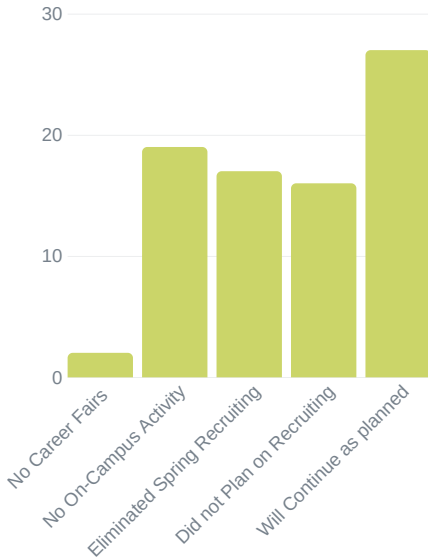

## Above All...

We want to assist and serve our students and employers in the best way that we can. Our office remains active in this effort. We sincerely hope that our students, employers, and staff remain safe and healthy during this period of social distancing. We look forward to the day when the normal operations of the Michelin Career Center return. Until then, we are here to serve you remotely in any and every way possible.

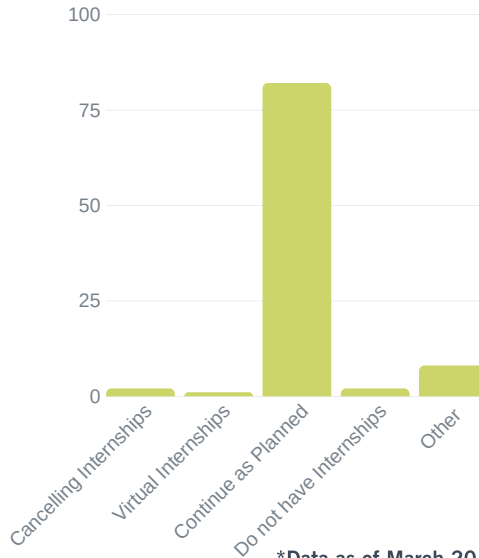

**As Always, Go Tigers!**
