

# Sample References Page

Clemson University Michelin® Career Center

- References should not be listed on your resume.
- Include a separate page for references.
- You will want to have 3-5 professional references available when applying for positions.
- Make sure you ask the potential references BEFORE giving their names out as references!
- Include the following information for each reference:
  - Name
  - Title
  - Business Address
  - Business Phone Number
  - Business Email Address (if they have one)
