

Kansas State University

Enhance Your Experience

- First discussed in Summer of 2014 and launched in Fall of 2017.
- K-State 360 is designed to provide students with a well-rounded experience of co-curricular programs
- Ultimate goal of helping students stand out to future employers or graduate and professional schools.
- Developed six categories for programs to be assigned in order to guide students towards an inclusive K-State experience.
- Student-Centered Tuition Enhancement grant from SGA provided additional financial resources to help get program started. Have continued support for next academic year, but exploring other funding opportunities at this time.

First Generation

Transfer Student

- The above is a snapshot of the users for the 2017-2018 academic year.
- Preparing to launch two additional phases over the next year-plus to include opportunities for high-impact learning and full-campus integration.
- Had great success in gaining momentum from academic partners on campus and will be a continuing focus.
- Utilize data collection for other assessment purposes on campus.
