

Be Hendrix. Beyond Hendrix.

General Syllabus Statement of Course Connection to Hendrix Competencies

The skills you will nurture through this course are important to future employers. While you may find opportunities during the semester to grow in all six Career Competencies, the learning goals of this course most closely relate to the following competencies:

1. Insert whichever competency(ies) fit your class here... feel free to copy/paste statements presented at the 2019 Fall Conference found in the link below or edit as you wish to fit your course.

Students can learn more about Hendrix Career Competencies [HERE](#). For assistance in communicating these skills to future internship sites, employers, and/or graduate and professional schools the [Office of Career Services](#) is happy to assist.
